INDIANAPOLIS, IND.

HOME AND FARM NOTES.

Illinois, has the growing wheat crop presented so promising an appearance at new year as at the present time.

RECIPE FOR SAUSAGE,-To ten pounds of meat take three ounces of salt, one of black pepper, one-half ounce sage, if desired; mix

come a standing feature of the fairs. Hu- sugar, and several minor articles make up man stock is to be tested and encouraged by the imports. The exports of the Cape are in POULTRY-Dressed for New York: premiums and ribbons. The state fair of agriculture tools, paraffine oil, lard oil, New Hampshire will be adorned with a baby rosin, tar, nails, chairs, fish, staves, lumber board last week.

PET Horses.-As with a man, so the horse ought to work. Hard work and good care make a horse that is good for some thing. But the family horse and pet of the city is little better than an invalid. Fat, soft and debilitated, a decent drive on the road would kill him. If you keep a horse give him the receipts, \$392,000. luxury of labor.

EARLY LAMBS,-There is a vast difference between young lambs and ducks. Keep the former dry. Those expecting lambs early in February and March should make special provision beforehand to give warm shelter happens to get chilled, apply a warm bath, ings, \$37,000,000. and dry with hot flannels.

WINTER TOMATOES,-A lady correspondent tells Moore's Rural that for many years past she has had ripe tomatoes in February -growing them in her kitchen from seed trains them on trellises, and they are orna mental as well as a pleasure to the palate. The above suggestion is entirely practicable, and a happy device for combining utility and

CURE OF CABBAGE WORMS,-The Tribune says the cabbage worm, that proves so destructive to the cabbage, is easily driven off uary, and h tendency to construe the vote in by dusting the cabbage with finely slacked lime mingled with carbolic seid. To prepare it, slack the lime in water in which the acid has been dissolved, just sufficiently so that the lime is brought to a fine dry powder. Scatter over cabbage early in the evening, and also early in the morning.

PUTTING A HORSE TO BED,-The Agriculturist gives a good hint for farmer 7,600, C., C. & I. C.; 8,400, Northestern, boys. The stable men understand it well. and 6,300, Ohio. Bulls predict another sharp A warm bran mash is a good thing to give a horse when he is brought home hot and a horse when he is brought home hot and when he is brought home hot and United States coupons, 1881, 117%; Five-exhausted from a long journey. reduce stock before invoicing, local checking. Depositors are supplied at 8 to 10 per cent., and 10 per cent. was the leading rate in the open market. In Chicago the Tribune finds that the country demand for currency has fallen off during the last few days, but the drain of the shipments to promising enough. When the time for local checking. Depositors are supplied at

PRODUCE SUMMARY.

Says the Tribune: The Chicago produce markets exhibited a general decline on Saturday, except in provisions, though grain was firmer toward the close, and a fair ag- Quoted: gregate in business was transacted. Mess pork was active and a shade firmer, closing February. Lard was moderately active and advanced 5aloc per 100 pounds, closing at \$8 80a8 85 cash, and \$8 90a8 95 seller February. Meats were active and 1/2 per pound higher at 51/2 for shoulders, 71/273/2 for short ribs, 71/273/2 for short clear, and 91/2 loc for sweet pickled hams. Dressed hogs were active and firmer, closing at \$6 25a6 35 per 200 pounds. Highwines at \$14 15a14 20 cash, and \$14 20a14 25 seller Low grades. Why not raise thirty bushels of wheat per acre?

Nine-tenths of the honey bees in this state are dead.

Dr. Furnas says that strawberries at fifty cents a gallon pay ten times more profit than perk raising.

To prepare and cook food well is an ac complishment that every woman should study earnestly. It is an art to be proud of. Rarely, if ever before in the history of Illinois, has the growing wheat crop present-

BOSTON TRADE WITH AFRICA. As a matter of information the following

statement of the Boston Commercial Bulletin is of considerable interest: Boston controls a larger part of the African he seasoning well, and sprinkle it over the trade than any city in the country, and meat before it is chopped, as no after mix-ing will blend the whole so nicely. there is probably not a port in Europe which is more largely engaged in the business is more largely engaged in the business. *DRILLING BUCKWHEAT .- Fletcher Carr, El- Our supremacy dates far back in the last mira, New York, believes in drilling in century, when many Bostonians embarked buckwheat. He says: "One field which their money in the slave trade, There are their money in the slave trade. There are one or two establishments in Salem still in lar of J. R. Budd & Co. for Monday, Jan. 19, 1874: had borne buckwheat 20 years out of the the business. Every two or three weeks a last 25, gave nearly twenty-five bushels to vessel hauls up at our wharves from Monthe acre drilled, while other fields, quite as rovia, Sierra Leone, Acca, Gorree, eggs in the eastern market, which has tendency fertile, gave not more than twelve broad- Jellah, Coffee, or other port on the to make fresh eggs lower. The Agriculturalist well says: Sheep guin copal, ivory, camwood, hides should have dry quarters. Dry cold is betful not to use so much straw for bedding in tities of African peanuts. The return car-the sheds and yards that the manure will go consists of "rum, tobacco, tracts and ferment under the sheep. Nothing can be missionaries. The trade with the Cape of BABY Shows.—From the beginning of a mere fancy, the baby show promises to beshow next fall. It was so voted by the and glassware. For the year ending 1873 the total value of Boston's exports to all parts of Airica footed up \$1,127,459.

surface to be again acted on by the ammonia, so that the oil is gradually removed from the varnish, leaving the brittle gum to look like rosin and crumble away. Threfore a dry, clean carriage house, entirely separated from the stable or stable manure, is the first thing required, and, secondly, to have it re-varged and, secondly, to have it re-varged and, secondly, to have it re-varged and secondly and se so that the oil is gradually removed from the varnish, leaving the brittle gum to look like rosin and crumble away. Threfore a dry, clean carriage house, entirely separated from the stable or stable manure, is the first thing required, and, secondly, to have it re-varnished when it is required, which is as often as once a year if the carriage is in continual clean carriage house, entirely separated from the stable or stable manure, is the first thing required, and, secondly, to have it re-varnished when it is required, which is as often as once a year if the carriage is in continual use.

FINANCE AND BUSINESS.

GENERAL MARKET REVIEW.

MONEY NOTES.

The Cincinnati Enquirer reports more activity in money circles, and on the whole a gain in deposits, not withstanding heavy local checking. Depositors are supplied at local checking. The cline is the first thing ported, with an advance rumored east; the situation is favorable to holders: 29½ cents gold w: a paid here to-day for a lot of fancy coffees, and this was fully ½c below the range for fancy grades; we look for a continued firm and enhanced market, as all things point that way, although a falling off in the consumption of coffees, brought about by the extreme prices, may in the near future the check the rise and bring prices to a standing these advances they have frequently been shaded to meet the views of buyers. It is a possible to check the rise and bring prices to a standing these advances they have frequently been shaded to meet the views of buyers. It is a possible to close time or cash trade at a fraction. sold to close time or cash trade at a fraction We shall offer rare bargains New York last week have made currency spring stocks comes, the trade will be strong as old stocks are low. [The buying price for grain and other produce are quoted, and the selling price for flour and merchandise, unless otherwise specified.]
